

A MESSAGE TO ALL:

It makes no difference whether you are young or old, a student, teacher, school, a church, or a family, if you are a Seventh-day Adventist God is calling all to be missionaries!

One day my husband had the RandMcNally road map open on his desk. As I looked at the page I was shocked at what I saw. That state was totally covered with towns. I couldn't believe it! As I went through the whole book I realized most of the states were like that.

God has given us the book *Christ's Object Lesson* to do a work for our schools that will make us missionaries while we relieve the debt hanging over them. Many will become converted here in our own nation and in many other lands.

Matthew 24:14

“And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.”

To understand the importance of this program read the book *God's Evangelistic Fundraising Plan*. You can download a free copy or purchase a hard copy at our Website.

Recently I learned that to of our academies Closed. Which school will be the next? It is so sad! It doesn't have to be this way if we all help!

GOD'S EVANGELISTIC FUNDRAISING PLAN

**DEBT FREE,
THANK YOU LORD!**

Do you know that *Christ's Object Lessons* is the fundraising book for our school to get out of debt?

QUESTIONS:

- Is your school in debt?
- Has your debt been growing year after year?
- Is there talk that your school may close?
- Has your school closed?
- Are you looking for a solution?
- Do you know God has given us his own fundraising plan?

“The plan for the circulation of ‘Christ's Object Lessons’ is not of human devising but is God's plan. He signified that this book should be a gift to the schools. . . Until the Lord shall come. . . ‘Christ's Object Lessons’ is to stand as a gift to our educational institutions.” (Review and Herold, June 2, 1903, par. 4.)

God had Ellen G. White give the book *Christ's Object Lessons* to our schools for a fundraising book.

“The Lord has made the sale of this book *Christ's Object Lessons* a means of teaching our people how to come in touch with those not of our faith, and how to impart to them a knowledge of the truth for this time. Many have been [and will] be converted by reading the book *Christ Object Lessons*.” *God's Evangelistic Fundraising Plan*, P. 3, par. 3.

“The cause of God is at stake. His institutions are in peril, and because of the terrible burden of debt under which they are struggling, the work is hindered on every side. Just now in our great necessity, God has made a way through the difficulty, and invites us to co-operate with Him in accomplishing His purpose. It is His plan that the book *Christ's Object Lessons*, be given for the relief of our schools...” *God's Evangelistic Fundraising Plan*, p. 17, Par. 2

GOD IS CALLING YOU TO GO WORK IN HIS VINEYARD

“The work of selling ‘Object Lessons’ is to accomplish double and triple good in different lines. Those who purchase the book feel that they are doing something to advance a worthy cause. The work is done with an earnestness that appeals to their hearts. It is a lesson to them, and although they are not of our faith, they appreciate the effort that is being made. They are impressed with the earnestness of the workers. They realize that what they are doing is commended by the Lord, who blesses every good work. Light shines into their hearts. To many, the conviction of the Spirit will come through the seed sown by this unselfish work for the Master. The saving of precious souls will be the result of the work done in canvassing for ‘Object Lessons.’ Ellen G. White, “A Call to All Our People, *The Indiana Reporter*, February 25, 1903, Par. 29)

GOD'S ILLUSTRATION

“At the Fernando school [in Southern California] the teachers have recently led out in reviving an interest in the sale of *Christ's Object Lessons*. Bands of students, after prayerful study of the book, have visited Los Angeles in company with their teachers and have gained a sound, solid experience which they prize above silver and gold. This kind of work is, in fact, one of the means God has ordained for giving our youth a missionary training; and those who neglect to improve such opportunities lose out of their lives a chapter of experience of the highest value. By entering heartily into this work, students can learn how to approach with tact and discretion men and women in all walks of life, how to deal with them courteously, and how to lead them to give favorable consideration to the truths contained in the books that are sold.”¹

“The time has come when the Lord would have all the powers of His people brought into exercise to relieve the situation of our schools . . . We shall call upon the people to help to the utmost of their ability just now. We shall call upon them to do a work which will be pleasing to God in purchasing the book [*Christ's Object Lessons*.] We shall ask that every available means be used to help circulate this book. . .” (*Advocate*. April 1., 1900 par 2)
