MISSION STATEMENT: to inform every Seventh-day Adventist that God has given us a program to relieve the debt resting on our schools year after year. This program is not only to relieve school debts but also help students pay their tuition cost while sharing our faith to help reach the world with the three angels messages.

GOAL: to educate and inspire workers, to multiply our work force, to relieve the debt resting on our schools, help students fund their schooling, while building an army of workers who share their faith with the world so we can finish our work and go home.

IMPORTANT NOTICE: If you know any school [including homes schools] that you think would benefit from using this program, please share this ministry plan with them. Thank you!

INTRODUCTION

“Would it excite you if we could find a program for our schools and health institutions that would train our young people to be missionaries; to approach with tact and discretion men and women in all walks of life to distribute literature that is so important to the times we live in; where if instituted would quicken and refresh our churches. At first this program might seem like a heavy cross but in the end will be regarded as a great blessing because we are working for the Master. Where the very timid would learn to be courageous and success would attend their efforts; where they would value the experience more than gold or silver; where selfishness, complaints, and discouragement, will be replaced with grace, joy, and peace; where many souls will be converted to the truth and at the same time our schools and health institutions will be relieved of their debts. Does this sound too good to be true? I will assure you that God has much more than this in store for those who will follow *God’s*. . .*Plan* that is explained in. . .” [*God’s Evangelistic Fundraising Plan, Page ii.*]

“Matthew 9:37 says, “Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few;” Here God is telling us that there are many souls in the world that need to be found but there are only a few that are working to find these souls. We are also told that many would go to work if they knew where to begin. Matthew 9:38 says, “Pray ye therefore the Lord of the harvest that he will send forth labourers into his harvest.” K.J.V. Here God is telling us to pray for workers to go into the world to find these souls. It has been my prayer for many years that God would answer this plea by sending out an army of workers.” *God’s Evangelistic Fundraising Plan, p. ii.*

My experiences—I believe it is the day, by day, divine appointment of prayer and worship which has shaped my life to work for Jesus. It is the following statement that encouraged me to step out in faith to try many things that I believed God was calling me to do. “. . . He [Jesus] expected much; therefore, He attempted much.” *The Desire of Ages*, p. 72.”

My journey as a Christian has had many twists and turns, but it is becoming evident that God has a plan for my life. When I first felt called to the Literature Evangelism work, I cried, but at the same time I told God that I was willing to be made willing to do His work. I really loved the work, and yet I was struggling to make a go of it. I began to claim the promise in Proverbs 16:3 which says, “Commit thy works unto the LORD, and thy thoughts shall be established.” Living in Parma, Idaho about fifty miles from Boise, as I drove past Pacific Press Publishing to two Bible studies that I held each week, I felt that God was saying to me “I want you to work there.” It turned out that both of the Bible studies did not happen that day, so I went to Pacific Press Publishing and picked up an application. To make a long story short, within a month I became the production manager’s secretary. Later my boss became the Vice-President of Production which made me the vice-president’s secretary. About eight years later God called me to quit that position to write the book *The Principles of Bible Study* which you can order at mybiblestudytools.com. and at that same time, I became a Bible worker, which I believe helped me to understand what people needed to know when learning to study their Bible.

One year after camp meeting I decided to pray for the next year’s camp meeting, so I put it on my prayer list and faithfully prayed each day. Sometime later I begin to feel called to see if I could present how to study the Bible at the Idaho camp meeting. I went to the conference president, and he said yes. (This was before I had written the book, *The Principles of Bible Study*.)

One morning at worship I was praying, asking God what He wanted me to study, and the words *Christ, object, lessons, schools*, came into my mind. Using the E.G. White CD-ROM, I began to study, and I found that the book *Christ’s Object Lessons* was given to our schools for a fundraising book and the book *Ministry of Healing* was given to our health institutions for the same purpose. What amazed me were the many blessings that God pronounced on following His plan. I put all the information into a word document and eventually into *God’s Evangelistic Fundraising Plan*. The problem was that I could not find a magabook, which is a perfect bound book which is a paper back that is the size of a magazine, of *Christ’s Object Lessons* that was a complete copy of the original book. I finally went to the Pacific Press Publishing Association, and they agreed to make a complete copy of it for me.

“Multitudes will be called to a wider ministry. The whole world is opening to the gospel. Ethiopia is stretching out her hands unto God. From Japan and China and India, from the still-darkened lands of our own continent, from every quarter of this world of ours, comes the cry of sin-stricken hearts for a knowledge of the God of love. Millions upon millions have never so much as heard of God or of His love revealed in Christ. It is their right to receive this knowledge. They have an equal claim with us in the Saviour’s mercy. And it rests with us who have received the knowledge, with our children to whom we may impart it, to answer their cry. To every household and every school, to every parent, teacher, and child upon whom has shown the light of the gospel, comes at this crisis the question put to Esther the queen at that momentous crisis in Israel’s history, “Who knoweth whether thou are come to the kingdom for such a time as this?” Esther 4:14.

“There is no line of work in which it is possible for the yourh to receive greater benefit. All who engage in ministry are God’s helping hand. They are co-workers with the angels; rather, they are the human agencies through whom the angels accomplish their mission. Angels speak through their voices and work by their hand. And the human workers, co-operating with the heavenly agencies, have the benefit of their education and experience. As a means of education, what “university course” can equal this.

“With such an army of workers as our yourh, rightly trained, might furnish, how soon the message of a crucified, risen, and soon-coming Saviour might be carried to the whole world! How soon might the end come—the end of suffering and sorrow and sin! How soon, in place of a possession here, with its blight of sin and pain, our children might receive their inheritance where “the righteous shall inherit the land, and dwell therein forever,” where the inhabitant shall not say, I am sick” and “the voice of weeping shall be no more heard.” Psalm 37:29; Isaiah 33:24; 65:19” {E. G. White, A Call to Stand Apart, p. 66 Par. 4-6. (*Silver Springs, MD.: Ellen G White Estate, Inc., 2009*).

Who can doubt that the end is near? But we can never go home until the gospel goes to the whole world! God is longing for His people to go forward to reach those who do not know Him. The book *Christ’s Object Lessons* provides a much-needed tool that will be a great blessing to those who purchase them. The amount of money you make will depend on the number of people you have working and the time you put into the program.

I have been given the rights to sell the *book Christ’s Object Lessons* to our schools. You will pay the incredible price of \$3.16 per book and sell them for \$20.00. This plan can also be used by families and students to pay their tuition fees.

At this time, my plan is to contact conference presidents, schools, churches, etc. to encourage them to take up this work. My thought is to help with the schools to train, encourage, and work shoulder to shoulder with them as I am needed.

GOD'S EVANGELISTIC FUNDRAISING PLAN
Like two sides of a coin—Spiritual Side

THIS CAN BE A TOTAL-MEMBERSHIP-INVOLVEMENT PROGRAM,
FOR SCHOOLS, FAMILIES AND ALSO FOR INDIVIDUALS

Here are a few explanations and blessings God has pronounced when we do this work:

- The sale of this book [*Christ's Object Lessons*] is the Lord's own plan.
- God's blessing will attend the effort to carry His plan to completion.
- The sale of this book teaches our people how to come in touch with people not of our faith.
- It will teach our people how to impart knowledge of the truth for this time.
- Taking up this work will give those who sell it a sound and solid experience which they will prize above silver and gold.
- Angels will unite with the canvassers to enter and tell the people of the work we are doing.
- The Lord will give all who do this work His approval, and with it His grace, joy, and peace.
- Churches will become interested in this work.
- Whole families will do this work.
- Those who sell the book will be blessed.
- Many who purchase the book will be saved by reading *Christ's Object Lessons*.
- Many selling *Christ's Object Lessons* will choose to become Literature Evangelists.
- There will be a fourfold blessing for selling *Christ's Object Lessons*: to the schools, the world, the church, and the workers themselves.
- The book contains instruction that will point those who read it to Jesus.
- This work will bring unity among our people.
- The Holy Spirit can be poured out on His people.
- Improvement of health of body and health of mind.

GOD'S EVANGELISTIC FUNDRAISING PLAN
Like two sides of a coin—Financial Side

I believe that relieving debts is a byproduct of the spiritual side of the coin. Here are some comments and financial benefits to this program:

- This is God's own plan to relieve the debts resting on our schools.
- Your school can have freedom from debts that have been accruing year after year.
- Your school can have one or two small and/or large campaigns each year.
- Your school can build a worthy student fund.
- Schools can reopen that have closed due to lack of finances.
- Men with means could invest in purchasing books at no, or low, interest.
- Money that would have been spent on schools can now go to the mission fields.
- The money received will come from outside sources.
- Students in our schools can take up this work to pay their tuition.
- Money will come in to relieve the debts.

Often it is a delicate balancing act to run a school. If the tuition goes up in price, you can lose students and if you do not raise the school prices you cannot make your expenses. Here is a program where parents, and students, if interested, could help with their tuition by selling books and at the end of the year a school could do a campaign to pay off the school debt if everyone would help. At the same time, many souls will receive literature that is so important to their salvation. It is a win-win situation.

Debts must not be allowed to accumulate term after term. The very highest kind of education that could be given is to shun the incurring of debt as you would shun disease. When one year after another passes, and there is no sign of diminishing the debt, but it is rather increased, a halt should be called. Let the managers say: "We refuse to run the school any longer unless some sure system

is devised." It would be better, far better, to close the school until the managers learn the science of conducting it on a paying basis. For Christ's sake, as the chosen people of God, call yourselves to task and inaugurate a sound financial system in our schools. *Testimonies to the Church*, Vol. 6, p. 211

It is my privilege to bring to your notice a program that was literally given by God to our schools to relieve their debts. This program has many blessings attached to it if we take up the work. To get started I recommend you read ***God's Evangelistic Fundraising Plan*** which you can download for free at letsgohomeministry.org and read it to see the many blessings that God has promised for doing this work. If you would prefer a hard copy please go to letsgohomeministry.org and place an order.

Now that you understand the blessings for doing this program I recommend that you purchase a copy of ***Christ's Object Lessons*** for each person that will help make the decision to do this work. The goal is to win souls, and God will bless our school's while relieving our debts.

SMALL CAMPAIGNS

Small campaigns can be a way to pay for a mission trip, a class project, or to help someone to pay their tuition or entrance fee, etc. They can be done by classes or whole churches or individual members as long as it is for the school or for a student to attend school.

A school could have one or two small campaigns each and every year. I would suggest that you ask your constituents, church members, families, and friends to not only donate money for *Christ's Object Lessons*, but also to ask them if they would be willing to sell two or more books? Not only are the schools to be involved in this plan, but we are told that whole churches will take up this work by getting these precious books into the hand of those who need to know and love Jesus.

Purchase <i>Christ's Object Lessons</i> <u>@ \$3.16 Each</u>	Sale <i>Christ's Object Lessons</i> <u>for \$20.00 Each</u>
1 box = \$63.20	20 books = \$ 400.00
2 boxes = \$126.40	40 books = \$ 800.00
3 boxes = \$189.60	60 books = \$1,200.00
4 Boxes = \$252.80	80 books = \$1,600.00
5 boxes = \$316.00	100 books = \$2,000.00

Often when I have gone out to sell *Christ's Object Lessons* there are people who will give to your project but do not want the book. One day we went out and three people gave us \$20.00 each and another \$10.00 and none of them wanted the book. Although You want them to have the book, but if they refuse take their money and thank them. If someone wants a book but cannot afford it, you could give them a copy for free and tell them that someone already donated the book to give away.

WEBSITE— Often people will want to go onto your Website to make sure this is a legitimate request. For this reason, it is important to have your project on that Website. You should hand out a brochure or something that depicts your project so they can look it up. It is good to show how much money is still needed and how much you have raised for the project.

Once we were raising funds to put a young girl into school in Peru. When we went to the door of one of those homes the man asked if he could see the Website. He asked if we would come back in about fifteen minutes, while he had a chance to view it. We said yes and went on down his street. In just a few minutes, the man came looking for us and gave us \$40.00 for one book. There are people that want to help the children even though they do not want a book.

LARGE CAMPAIGNS:

If you purchase the books through Let's Go Home Ministry you will pay only \$3.16 per book and the following is a sample of what you will make: You do not have to purchase a large quantity of books. You can purchase the *Christ's Object Lessons* one box at a time if you need to. Sales tax will be added to the cost of the books, unless your organization is exempt from sales tax, and you send the paperwork to Let's Go Home Ministry to show your exemption status.

Purchase <i>Christ's Object Lessons</i> <u>@ \$3.16 Each</u>	Sale <i>Christ's Object Lessons</i> <u>for \$20.00 Each</u>
1,000 = \$3,160.00	1,000 = \$20,000.00
2,000 = \$6,320.00	2,000 = \$40,000.00
3,000 = \$9,480.00	3,000 = \$60,000.00
4,000 = \$12,640.00	4,000 = \$80,000.00
5,000 = \$15,800.00	5,000 = \$100,000.00

One thing that would help your school would be for donors to send money for your school to purchase books.

PREPARATION—Now that you have made the decision to do a campaign, we want everyone that will be a part of it to read ***God's Evangelistic Fundraising Plan***. The purpose of reading this book is to discover how God promises to bless our schools and those who do this evangelistic work. You will need to study ***Christ's Object Lessons*** so you can share what you yourself love about the book. See our ***Special Instructions and Canvas*** on Page 11 to learn more about doing this most important and rewarding work.

Here is a quote that I want to share with you to teach you the importance of this work. "Let canvassers manage books which bring light and strength to the soul and let them drink in the spirit of these books. Let them put their whole soul into the work of presenting these books to the people. If those who are doing this work are imbued [filled] with the Spirit of God, heavenly angels will give them success in their work, and they will gain a deep, rich experience." The Review and Herald, July 10, 1900, The Lord's Vineyard. -Mrs. E.G. White.

As [your school] begins to prepare to do a campaign we will send [a letter (a sample copy of the letter is on page 10) to parents, constituents, alumni's, etc. to help explain how this fundraising program works and to ask for donations to purchase books to get the students started. The administration, teachers, and students will take about __ weeks to prepare by studying ***Christ's Object Lessons*** to discover quotes that they would love to share with those they meet while selling this book.

As funds come in and lessons learned from the study of *Christ's Object Lessons* the school could do a small campaign to give the students training and experience. Then we can take a group of students to your churches to inform, inspire, and train members to also do this

work. At that time, we will ask for more donations and find those that would be willing to help us sell at least two or more copies of ***Christ's Object Lessons***. As I said earlier the funds will come from outside of our own people. The donated money will come back to us as we sell the books to our communities.

SCHOOL RALLY—after the youth have had time to work this program for themselves, we could have a school rally inviting everyone to be prepared to support the school(s) by purchasing more books and to give more training to join in this work. Remember this is to be a TOTAL MEMBERSHIP INVOLVEMENT PROGRAM (T.M.I.) Following are some points we could share at the rally:

- a little history about this program.
- Testimonies.
- Since this is a T.M.I. program, we would have the students train members on how to sale the books to their neighbors, pastors of other churches, businesses where they shop, friends and family.
- Raise the funds for selling C.O.L. to our friends, neighbors, and communities, to meet our goal for the number of books we are wanting to sell.
- We will provide envelopes, in which money from the sale of ***Christ's Object Lessons***, could be sent to the schools through the home churches.

REVISIT CHURCHES—we could also revisit our churches using some of our young people to share their experiences with the churches.

- This program will be similar to the School Rally

WHERE DOES THIS PROGRAM BELONG (MARKETPLACE)?

Every one of our schools, all over the world, should be doing this program.

HAS THIS PLAN BEEN DONE BEFORE?

Here is a statement to show this kind of work has been done in the past and it was very successful. "My heart is made glad in the Lord as I hear of the result of the effort to sell "*Christ's Object Lessons*." The sale of this book is the Lord's own plan, and his blessing is attending the effort being made to carry this plan to completion. {Review and Harold, June 17, 1902, par. 1}

The Lord has blessed the effort put forth to relieve our schools from debt, and I am told that three hundred thousand dollars have been raised toward lifting the debt. While engaged in selling *Christ's Object Lessons*, students and church members have obtained an excellent experience. As they have taken up this work disinterestedly, great blessings have come to them. Many have gained a knowledge of how to handle our large books. The Lord Himself has cooperated in this work." {11MR - Manuscript Releases Volume Eleven [Nos. 851-920] (1990)}

HOW QUICKLY WILL I KNOW IF I WILL MAKE OR LOSE MY MONEY?

You do not need to spend hundreds of dollars to purchase products or pay someone thousands of dollars to come and raise money. If you are interested in me coming to help you begin to do this work, we can discuss this over the phone. This is God's plan and if we faithfully work it, it cannot fail!

- “Workers for Christ are never to think, much less to speak, of failure in their work.
- The Lord Jesus is our efficiency in all things.
- His Spirit is to be our inspiration; and
- As we place ourselves in His hands, to be channels of light, our means of doing good will never be exhausted.
- We may draw upon His fullness and receive of that grace which has no limit.”
--Gospel Workers, p. 19. {Christian Service 261.3}

- When we give ourselves wholly to God, and in our work follow His directions, He makes Himself responsible for its accomplishment.
- Not once should we even think of failure.
- We are to co-operate with One who knows no failure.
--*Christ's Object Lessons*, p. 363. {Christian Service 261.4}

WHAT IS MY GOAL AND COST FOR YOUR SCHOOL?

My goal is to explain the program to your churches and camp meetings and to train trainers. Not everyone goes to camp meetings so we will visit the churches to train the members on how they can not only help by supplying the funds for books but by selling books too. I want them not only to see the potential but to encourage and inspire them to help to make this program a success.

If you invite me to come to your school, you will need to provide lodging, transportation, and food. The cost depends on the time I spend with the school and the number of books we sell. I will receive a portion of the cost of each of the books that are purchased.

This is a sample letter to send to constituents, etc.

Dear friends, family and those who especially love and care about [your school]:

This letter is to inform you about an amazing program that [your school] has decided to do to relieve the debt on our school. This is a program that was actually given by God.

“ . . . "Christ's Object Lessons. . . [is]" the Lord's specified . . . [agency] for the financial aid of our [schools]. . . ” *Ellen G. White, Loma Linda Messenger (1981), (Silver Springs, Md.: Ellen G. White, Inc. 2009) p. 388.7*

I have found that many of our people have read that this book is to be used for fundraising, but how many know the many blessings that are promised for doing this work? To learn more about this you can download a copy of **God's evangelistic Fundraising Plan** from www.letsgohomeministry.org.

With everyone in our conference doing their part, we know that we can get [Upper Columbia Academy's] debt greatly reduced, if not completely eliminated. This work can be done year after year to keep [your school] out of debt. We will be contacting each church in our conference to set up a time for us to visit and share the blessings that the students have had in doing this work and to teach the members how to approach people to sale at least two books or more. Our goal is to raise \$_____ and to win souls while doing this work. As you will see this is really an attainable goal if all our members at [Put your conference here] join us in the great work of saving souls while ridding the debt on our schools.

Now that we have decided to follow God's plan in taking up the task of getting [your school] out of debt we need your help. Until [this date] we will be studying to learn the message in the *Christ's Object Lessons* so we can share what we love about this book. As we begin, we are asking you to send donations to [your school] so we can purchase books to start our campaign. For every \$3.16 you give we can turn it into about \$20.00. People often give more than this amount. As you can see this will increase your money more than six times.

We want to thank each one of you that have decided to help with this very exciting project! For more information about it please contact Lareda Neves at Let's Go Home Ministry at (208) 573-3353 or [your school] at (000) 000-0000]. Please keep this project in your prayers.

May the Lord bless you as you bless those in your own community!

Sincerely,

Lareda Neves

HOW TO CANVASS CHRIST'S OBJECT LESSONS

What is a Literature Evangelist? The dictionary says, "a traveling preacher [in this case a traveling student] who stirs up religious feelings in a person. What does it mean to canvass? Personal visit of homes and stores in a district to sell something.

YOUR CANVAS

Before you canvas or speak to the people, to be a successful soul winner, you personally need to spend time each morning and evening praying and studying asking for the Holy Spirit to guide you in your studies. You must allow God to direct these studies; however, you may not hear God's voice right away. Each day pick something and study asking God to guide you. The day you hear God's still small voice speaking in your mind, follow that voice and God will guide you. God is the one that must lead our worships because He has much to teach us and if you follow you will be amazed what He does teach you. I recommend that you read 1 Samuel 3.

During your worship with Him, He may lead you to study the books you are selling, or He may lead you in some other direction. I claim the following promises: Proverbs 16:3, John 14:26 and James 1:5-8 each day. You need to know your books, but morning worship is special. This time is Holy! He wants a divine appointment with you every morning and evening. It has been my favorite time of day for over thirty years. You would be amazed at what God has taught me in these divine appointments!

It is critical that you get to know the books you are selling. When you study them watch for things that you could share with the different people you meet. Are they interested in prophecy, parenting, cooking, health, etc. You will often be asked the question, have you read this book? Do you personally know and like this book?

When going door to door pray every 2 or 3 houses. If there are two canvassers [sometime there will be more than two if they are children.] going to the door pray that God will put His Spirit in you to give the words to speak and to impress the hearts of their great needs. These are short prayers. Walk fast like you are on a mission, which you are. Time is souls.

REMEMBER TO: SMILE, SMILE, SMILE.

NOTE: 1. When you mention the name of Jesus (in a loving way) the angels press close to impress hearts of those you are canvassing.

2. When you speak about atonement, or the cross, you double your efforts.

NOTE: Look around to see if you can find something to talk about so that you can make friends with them. If they have something religious on their door or wall you know they might be spiritual, toys mean they have children, grandchildren etc. If you like their flowers or something you see tell them what you think. The goal is to make them your friend.

HELLO THIS IS [give the name of the one you are working with] **AND I AM** [put YOUR name here].
MAY I ASK YOUR FIRST NAME?

NOTE: Try to use their name in the conversation (do not overuse it), remember you want to make friends with them.

Negative reply: I'm not interested.

[Would you like us to pray for you before we go? If yes, what is/are your prayer request(s)?]

Either way, **"THANK THEM AND TELL THEM TO HAVE A GOOD REST OF THEIR DAY [OR GOOD: (MORNING, AFTERNOON, OR EVENING)]"**

IF THEY SAY YES OR WHAT IS YOUR PROJECT?

[TELL THEM YOUR PROJECT]

AND LET THEM KNOW YOU NEED THEIR HELP.

Negative reply: no, I don't really have the time, or the money, etc.

Can we pray for you before we go? If yes, what are your prayer requests? If know Either way reply with a kind voice, **"THANK YOU! HOPE YOU HAVE A GOOD (DAY, EVENING, OR MORNING!)"**

THEIR REPLY: OK WHAT IS YOUR PROJECT?

NOTE: Hold the book out to them to put it into their hands.

THE AUTHOR OF THIS BOOK GAVE IT TO OUR SCHOOLS FOR A FUNDRAISING BOOK AND WE HAVE DECIDED TO USE IT. TELL THEM ABOUT YOUR PROJECT. [our school] _____

_____.

NOTE: while sending up a prayer for God to help you, hand them the *Christ's Object Lessons* and tell them

***CHRIST'S OBJECT LESSONS* EXPLAINS THE PARABLES THAT JESUS TAUGHT. PARABLES ARE STORIES WHICH TAKE A COMMON SCENE, LIKE A FARMER PLANTING SEED [See P. 16], OR SOMETHING THAT HAPPENED IN LIFE TO ILLUSTRATE DIFFERENT TRUTHS. IT ALSO TEACHES BY GIVING AN OBJECT A SPIRITUAL MEANING, FOR EXAMPLE JESUS IS CALLED THE LAMB OF GOD [See P. 129],. WHICH WILL OFTEN HELP YOU TO UNDERSTAND OTHER VERSES THAT SPEAK OF HIM AS THE LAMB.**

AT THE BEGINNING OF MOST OF THE CHAPTERS, YOU CAN SEE WHERE THE CHAPTER IS TALKED ABOUT [See P. 123], IN THE BIBLE. I RECOMMEND THAT YOU READ THE CHAPTER FROM THE BIBLE BEFORE YOU READ EACH CHAPTER IN THE *CHRIST'S OBJECT LESSONS*. [We are told that when we mention the name of Christ's we double our efforts.] [LET ME SHARE WITH YOU A SMALL PARAGRAPH THAT REALLY TOUCHED MY OWN HEART. [You should find something that you really like yourself here] **Page 71 "Christ has pledged Himself to be our substitute and surety, and**

He neglects no one. He who could not see human being exposed to eternal ruin without pouring out His soul unto death in their behalf, will look with pity and compassion upon every soul who realized that he cannot save himself.”

JESUS DREW CROWDS OF OVER 5000 MEN PLUS WOMEN AND CHILDREN WHO WOULD LISTEN ALL DAY. THEY LOVED WHAT HE WAS TEACHING AND YOU WILL LOVE WHAT YOU LEARN TOO.

WE ARE ASKING FOR A DONATION OF \$20.00 AND I KNOW YOU WILL FIND THIS A GREAT BOOK! ARE YOU ABLE TO HELP US TODAY? Don't speak until they answer you if they look like they are trying to decide. **GREAT THANK YOU! WE TAKE CASH OR CHECK. CHRIST'S OBJECT LESSON LOWER SCHOOL CANVASS

Hi my name is: _____

I was wondering if you can help us today.

I am not interested, do not have the time, do not have money, etc.

Thank them kindly and move on. You can ask the people if they want you to pray for them.

I am from [Put your school name here].

Our project is to: _____

Tell them about your project!

Hold the book out for them to look at. Let them hold it if they take it.

Tell them: The author of this book gave it to the schools for fund raising.

Tell them something you like about this book. _____

We are asking for a donation of \$20.00. If the person says they only have \$5.00 and they really want it, give them the book. Some will give money without wanting the book some will give extra money.

Are you able to help us today?

[If not] thank them for their time and offer them a small piece of literature. Ask them if you could pray for them.

[If yes] **tell them we take cash or check.** If they pay with a check tell them to make it out to _____ . [Make sure you know this information.]

Ask them if you can pray for them? [If yes] do you have any special prayer request. _____

Thank them.
